ANPDI, 3rd Precision Landing Stage with Gliding Parachute with Col. Paolo Filippini in Ferrara on November 22 and 23

Published on 08/11/2025

The **3rd introductory and advanced stage for precision jumps with wing-profile parachute** returns to Ferrara, directed by **Col. (res.) Paolo Filippini**. An event designed for ANPd'I members who wish to consolidate and perfect technique, safety, and awareness in the use of the gliding parachute.

According to the national ANPDI website, the activity will be held at **"San Luca" airport in Ferrara** on **Saturday, November 22 and Sunday, November 23, 2025**, in **collaboration with ASD Scuola Paracadutismo Ferrara**, a historical partner of the Association in a synergy that combines high training standards and efficient logistics.

Only ANPd’I members who already **possess all the necessary requirements and documents** to carry out parachuting activities with a gliding parachute will be able to participate. **Information on costs and registration methods** will be **provided by the respective ANPd'I Sections**.

Guided by a top-level reference — **Filippini is a “fresh” ANPd’I national champion both in teams and individually** and holds numerous records such as the jump with the largest Italian flag in the world — participants will have **a unique opportunity to enhance their preparation in an excellent context**.

Previous editions have seen excellent participation and a **climate of cohesion** among ANPd’I members who practice sport parachuting, confirming the educational utility of the format.
