Sassari, September 27: presentation of the book "FORSE SPECIALI – 100 GIORNI ALL'INFERNO" by Claudio Spinelli

Published on 22/09/2025

On **Saturday, September 27** in **Sassari**, at the **GluteSculpt Center**, the book **"FORSE SPECIALI – 100 GIORNI ALL'INFERNO"** by **Claudio Spinelli**, **Commando of the 9º Reggimento d'Assalto "Col Moschin"** until 2017, will be presented.

The meeting will be moderated by **Raffaele Sestilli**, **Retired Paratrooper of the 186º Reggimento Folgore**, our regular reader, friend, and collaborator on various occasions on our blog **BRIGATAFOLGORE.NET**.

A raw, authentic, necessary story

Spinelli's volume is, according to many (including us), **one of the best biographies ever written by an Italian commando**. Enlisted as a volunteer in the **Paratroopers of the**

Folgore in **1998** and later became an **Army Commando**, the author retraces the moments that saw him engaged in **Afghanistan** in the legendary **Task Force 45**, among **high-intensity operations, firefights, casualties, and injuries**, giving the reader **the human and operational side** of those who served on the **front line**.

The narration is direct, **unfiltered**, supported by **unpublished images** and a rhythm that pulls you into the action.

Two editions for two reading experiences

From the first release, an editorial project was born in **two versions**:

- **FORSE SPECIALI: 100 GIORNI ALL'INFERNO** – the original edition, the raw and unfiltered account of the field experience.
- **FORSE SPECIALI 2.0: What Wasn't Said** – **revised and improved edition**, with a **more fluid structure**, **two exclusive chapters** added, and **numerous photos** that accompany the reader. An **unmissable continuation** even for those who have already read the first version.
