

ANPDI, 3rd Precision Landing Stage with Gliding Parachute with Col. Paolo Filippini in Ferrara on November 22 and 23

Published on 08/11/2025

The **3rd introductory and advanced stage for precision jumps with wing-profile parachute** returns to Ferrara, directed by **Col. (res.) Paolo Filippini**. An event designed for ANPd'I members who wish to consolidate and perfect technique, safety, and awareness in the use of the gliding parachute.

According to [the national ANPDI website](#), the activity will be held at **“San Luca” airport in Ferrara** on **Saturday, November 22 and Sunday, November 23, 2025**, in **collaboration with ASD Scuola Paracadutismo Ferrara**, a historical partner of the Association in a synergy that combines high training standards and efficient logistics.

Only ANPd'I members who already **possess all the necessary requirements and documents** to carry out parachuting activities with a gliding parachute will be able to participate. **Information on costs and registration methods** will be **provided by the respective ANPd'I Sections**.

Guided by a top-level reference — **Filippini is a “fresh” ANPd'I national champion both in teams and individually** and holds numerous records such as [the jump with the largest Italian flag in the world](#) — participants will have **a unique opportunity to enhance their preparation in an excellent context**.

Previous editions have seen excellent participation and a **climate of cohesion** among ANPd'I members who practice sport parachuting, confirming the educational utility of the format.

Summary Details

Technical direction: Col. (res.) Paolo Filippini

When: Saturday, November 22 and Sunday, November 23, 2025

Where: “San Luca” Airport, Ferrara

Requirements: ANPd'I members with valid qualifications and documents for gliding parachute
